A cartoon illustration of a purple alien woman with large white eyes and a pink mouth. She is wearing a pink short-sleeved jacket with a white pocket and a matching pink skirt. She is holding a purple briefcase in her right arm and pointing with her left hand towards a large wooden door. The door is set into a dark blue, textured wall. The ground is a light green, speckled surface with two wooden planks. In the background, there is a blue sky with a purple flower-like shape and a small purple cactus on the left.
