

A person is standing on a tall aluminum extension ladder, painting the exterior of a two-story house with dark grey horizontal siding. The person is wearing a light-colored t-shirt and dark pants. They are using a roller to apply paint to the upper part of a window frame. The house has several white-framed windows, some of which are illuminated from within, showing a warm yellow light. A bright blue front door is visible on the ground floor. A brick chimney is on the roof. The scene is set at dusk, with a dark blue sky. In the foreground, there is a concrete sidewalk and some grass. A paint tray and a bucket are on the ground near the base of the ladder.
